PROVIDENCE, R.I. — Rhode Island, ahead just 24-20 with 7:10 to play in the first half, scored 11 unanswered points and padded its lead to 41-24 by halftime, but still had to withstand a furious second half rally by BYU before claiming an 85-76 victory Thursday night.

The Cougars fought back to within seven at 74-67 with 1:23 left to play after trading by as many as 19 in the opening moments of the second half but *missed a layup and a three-point shot in the final* minutes.

UTC Battles SUSC, Ricks

"We've got a big one tomorrow night."

That's how Utah Technical College basketball coach summed up the opening of the Intermountain Collegiate Athletic Conference season with Ficks. The game will be played at Oregon High School at 7:30 p.m. Saturday.

"Ficks is 9-3. Gardner said, with their latest win 100-86 over the Utah State junior varsity Wednesday night."

"They're led by the Anderson brothers, Todd and Shawn (from Oregon 6-6) and Chris Owen and guard Frank Orsino. They're well-balanced and from all reports, tougher than they were last year."

"We'll have a battle on our hands," Gardner said. "But it looks like we

has Matt Mingley back. He's been sidelined with a broken hand, but he helps us with his quickness. It'll be a pleasure to have him back.

The Wolverines are led by Joe Tate who's in the top 10 in rushing statistics in rebounding. Ray Walker who's up there in rebounding, and Steve Gaskins who's up there in assists. The other starters will be Craig Jensen and Craig Ranz.

Friday night the Wolverines will play the Southern Illinois team. They vary a lot, about 60-70 and about 6' 30 or so.

We played them to a two-point game down there, so we'll have our hands full. We'll be looking out, not overlooking them. Goodbye, see.

Leopards East Past Tigers, 65-61

By MARK JOHNSON
SALT LAKE CITY — These out-

basketball tournament.

The Tigers will now face Skyline
in the battle for third place of the tourna-
ment. East will play Highland for the
championship.

The Tigers, who were at an average
three-inch height disadvantage per
man, started out as though they might
pull a David and Goliath act as the
jumped to a quick 10-4 lead in the first
quarter.

Oregon employed a very effective full
court man - to - man press which the
East confused and forced the Leopards
into four straight turnovers.

However, the Tigers were unable to

them far outside, under their shots. The first quarter ended with Orem leading 12-0.

Orem's ninthman scored 11 points in which East scored 21 points. Orem's defense was able to completely outplay the bigger Leopards' line and take complete control of the game. East scored 14 points in the second quarter, but Orem's defense held the Leopards' points down to a meager 12 points.

From there Orem guard Jeff Smith took over the game. Smith made a clutch shot from the outside and a classy back-door layup to tie the game. Orem's defense then held the Leopards to 4 and 6 forward Brad Boylston landed in a hurry of points, scored a series of layups and a clutch shot to give Orem the fourth lead but Orem star Chris Smith took over the game. Orem's 4th lead was 40-24. Leopards' take a 4-38 lead at the half.

"They were just put in, changed out of the game," Orem coach says. "The team is that much taller, it points out."

whole game style.

In the third quarter Orem looked though it would make a game out of the second quarter. Orem's defense held East to 10 points. Orem's defense held East to 10 points in the period and center Dave Brown fouled out shortly thereafter. Orem's defense held the Leopards' to 10. Tigers out of striking distance by the end of the third quarter. Orem preserve a 54-43 third quarter lead.

Orem again cut the lead to 64-40 in the fourth quarter. However, the Leopards' defense held Orem to 10 points.

Tuesday, scored his only points of the night before fouling out, but East again scored 10 points.

John Johnson was scored with 21 points.

Orem's defense held the Leopards to 10 points.

The Tigers.
 "It was surprisingly turned the ball over six more times than did Orem, but more importantly the Leopards out rebounded the Tigers 65-30."
 "I really don't think we played as well as we are able to," said Gardner. "Another night and another place, I think we should beat them."

Wilhite Starts Climb Back to Big Leagues

When Nick Wilbite was a member of the Pacific Coast League champion Spokane Indians, he was the only player who had everything when coming up to first base for the left-handed "Nine." He had the pick of the platoon, including Wilbite, went to the majors. Jack Billingham was at the top of the list, followed by Bill Singer for Bill Ottengr and several others. "I was with the Dodgers when the Los Angeles Dodgers with a bigger splash than the Indians had, had a roster of 6 years there and when he went on the voluntary retired list he was the only player to have 31 days shy of 34 full years of big league time."

He had extensive experience for the south paw from Denver. A player needs 4 years in the major leagues to be eligible for a pension plan and he was 42 days short. He had signed a pro contract as a player and was on the verge of being released. Suddenly his playing days were over and he wasn't sure he could make a living out of what he could do.

"He moved to Provo, and I was there. To keep my hand in, he helped Billy baseball coach Gene Grentley on the Provo team. He was in the hall in the Provo City recreation league."

"He was always a good hitter in baseball and I transferred this to softball. Hitting the softball took a little more practice," Wilbite said yesterday.
