## Funniest thing

April 2020 issue

### 30 minutes or less or it's free

**BY BRAD BOYLE**

This month's winner is BRAD BOYLE of Neotsu, Oregon:

My friend visited while I was living in Taiwan. He wanted a pizza, and a restaurant nearby would deliver. He did not speak Mandarin, so my roommate ordered for him.

Soon there was a knock at the door. My friend answered it. The delivery man handed him a bill, which my friend paid. The man turned and disappeared down the stairs.

My friend yelled after him, "Where's my pizza?!"

I thanked him for paying the gas bill.
