JAPANESE MOVIE SCI FI

BY
DAMON
FOSTER
AND
BRIAN
TUOMY

1

DEAR READER,
WELCOME TO OUR FIRST ISSUE.
THIS ISSUE IS DEDICATED TO

TONY MALANOWSKI. I HOPE
YOU WILL ENJOY THIS MAGA-
ZINE. IF YOU HAVE ANY RE-
QUESTS OR ANY THING THAT YOU
WOULD LIKE TO SEE IN THIS MAG-
AZINE THEN WRITE TO ME.

"Damon",
Foster

GODZILLA

GODZILLA IS VERY FAMOUS IN BOTH AMERICA

AND JAPAN. HIS REAL NAME IS GOJIRA.
THE MAN WHO PLAYS GODZILLA IN EVERY
GODZILLA MOVIE IS CALLED HARUO NAKAJIMA.

GODZILLA'S FILMS GO SOMETHING LIKE THIS:
GODZILLA KING OF MONSTERS WAS ABOUT WHEN
GODZILLA FIRST CAME TO JAPAN. GODZILLA
VS. THE SEA MONSTER WAS ABOUT SOME PEOPLE
THAT GOT SHIPWRECKED ON AN ISLAND AND IN
THE WATER WAS A BIG MONSTER NAMED EBIRA WHO FOUGHT
GODZILLA. GODZILLA'S REVENGE WAS ABOUT A KID

NAMED ICHIRO WHO
DREAMED ABOUT GOING
TO MONSTER ISLAND
AND SEEING THE
MONSTERS.

GODZILLA'S LA-
TEST FILM IS
CALLED THE
REVENGE OF
MECHA GODZILLA.
GODZILLA'S WORST
ENEMY IS
GHEDRAH!

KIKAIDER

KIKAIDER IS KNOWN AS
THE ANDROID OF
JUSTICE AND ALMOST
EVERY SUPER HERO
HAS A HUMAN FORM.
FOR EXAMPLE?

CLARK KENT CHANGES INTO SUPER MAN.

BRUCE WAYNE CHANGES INTO BAT MAN.

WELL, A MAN NAMED JIRO CHANGES INTO
KIKAIER. THE WAY JIRO CHANGES INTO
KIKAIER IS BY SAYING: CHANGE! SWITCH ON!
ONE! TWO! THREE! KIKAIER FIGHTS
OFF A GROUP OF EVIL BEINGS CALLED
THE DARK. THE LEADER OF THE DARK
IS PROFESER GILL.

THE MAKERS OF KIKAIER (NET.TV) HAVE
MADE OTHER TV HERO SHOWS TOO. A FEW
OFF THEM ARE: KAMEN RIDER V-3,
GO-RANGERS, AND RAINBOW MAN.

I AM NOT SURE BUT I THINK KIKAIER
HAS A BROTHER NAMED KIKAIER O-1.

THE DARK CREATES ANDROIDS TO DESTROY
KIKAIER BUT KIKAIER DESTROYS
THEM AND HE DOES IT
BY SAYING: THE
END!

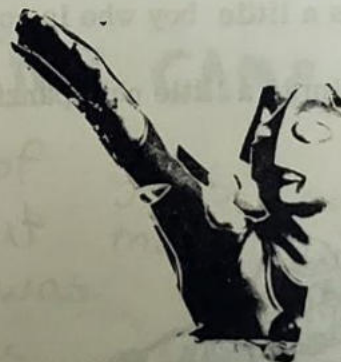

ULTRA MAN

By
Ramon
Foster

Ultra Man is a super hero who is a member of the science patrol. (a group of people who fight giant monsters.) Ultra Man's human form is a man named Hyata. The way Hyata changes into Ultra Man is by using a device called the Beta Capsul and he holds it in the air and pressing a button on it. After he does that he changes into Ultra Man, and does his thing. (Fighting monsters.) Some of the monsters have names like these: KEYRA, GABORAH; and GABODON. KEYRA is just a Godzilla suit with a wierd thing around his neck. I have not yet seen the episode with Gaborah yet. Gabodon is a monster who was created by some kids drawing a monster on cement and it came to life. In my opinion, Gabadon was the good guy of this episode. Of all the 39 episodes, my favorite one had a monster with a drill on his nose. Ultra Man has the power to shoot a ray from his hands. He can also fly. In one episode he shot a ray from his eyes but that was the only time that he did it. I have also seen him shoot out saw blades that slash the monsters in half. When Ultra Man has been on earth to long, his warnning button begins to make a noise which tells him that he must go back to his home. Ultra Man has some relatives and some of them are : ULTRA FATHER, ULTRA MOTHER, ULTRA SEVEN, and ULTRA MAN ACE. UltraMan has other relatives too. On one episode, they showed a lot of monsters at the beginning but Ultra Man only got around to fighting one of them.

SCIENCE
PATROL
UNIFORM →

SPEED RACER

by Damon F.

Speed Racer is a man who races in his car. (the mach 5)

The mach 5 can do all kinds of stunts in the air and it is real neat.

The show is a cartoon and the drawings are the same as RAIDEEN, DAI APOLON, GETTA ROBO, etc. etc. etc .

The Mach five can go faster than any other car on the race track.

Most people say that it is a dumb tv show but I like it.

The makers of this magazine (Damon Foster and Brian TUOmy) like to watch fighting on tv and one thing good about Speed Racer is that they fight on the show.

Speed Racer has some friends and their names are: Trixy, Spridel, and Chim Chim.

Trixy is Speed Racer's girl friend.

Spridel is a little boy who is sometimes a pest.

Chim Chim is a little chimpanzie.

ADDITIONAL INFO

ON INFRA-MAN:

IT IS A **MOVIE** ABOUT
A SUPER HERO (INFRA-MAN).
A SHAW BROTHERS PRODUCTION
INFRA-MAN CAN SHOOT
A RAY FROM HIS EYES.

BY
BRIAN
TUOMY

Infra Man is a little like Starman and a little like Ultra Man and a little like himself all **IN** one. In the **MOVIE**, HE WAS FIGHTING Princess Dragamon. **THEY CAME FROM**

the Ice age **MILLIONS** of years ago. He fought many monsters in that movie. One of the best things in that movie was when he fought the spider. It was a very good movie. I asked a kid from my school what **HE** thought about the movie AND HE said very good, far out!! It's like a Bruce Lee movie said someone. But I don't think LIKE ANY of them. My opinion is that it

SPECTACULAR ! ! ! !

THE SPACE GIANTS

BY
DAMON
FOSTER

The space giants is a tv show that has a robot that looks much like Johnny Sokka's robot.

The robot of this show is named Goldar.

Goldar is not as big as Godzilla or Manda etc. etc.

Like Giant Robot, Goldar too is a helper of a kid.

The boy of this show is a bit older than Johnny sokka and his name is **MIÉKO**.

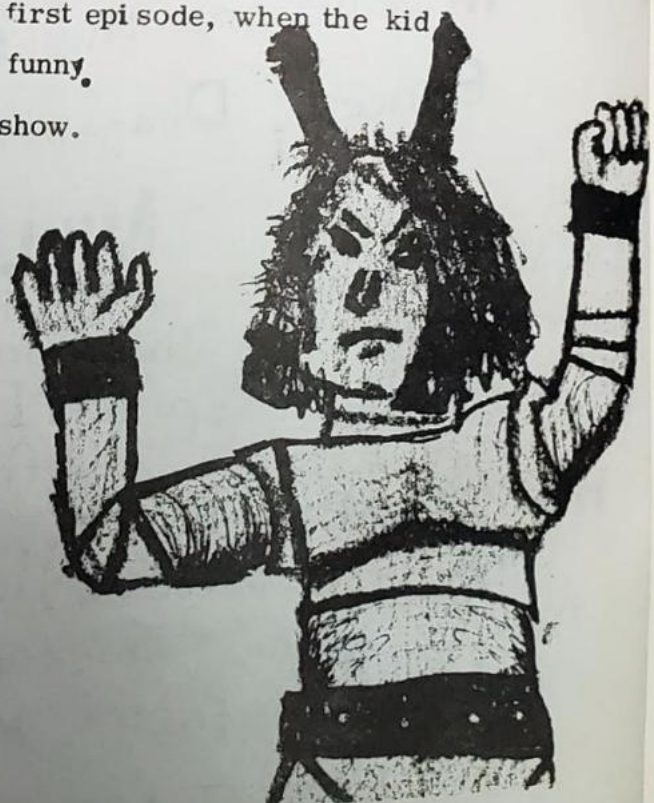

The way he calls the robot is by blowing on a whistle and a rocket ship comes and lands and it is Goldar in another form.

Arms come out of the ship and turns into the robot and begins to fight the monster!

Goldar's enemy is a monster from space know as Rodak.

As you know, on Japanese movies they talk and they move their lips un even with what they say. Well, on the first episode, when the kid talked, you could really see his lips move funny.

It made me laugh! But it is still a good show.

JOHNNY SOKKA'S FLYING ROBOT

BY
AMON
OSTER

Jonny Sokka and his robot are from a movie called Voyage into Space.

The movie was originally a tv show.

The robot's name is Giant Robot.

The one who controls the robot is a kid named Johnny Sokka.

The villain of the film is a monster named Guilletime who planned on conquering earth. Guilletime is commander of a group of men called gargolies.

The gargolies have giant monsters that fight the robot.

The robot can fire missiles from his fingers. The movie had good music. Giant Robot's first fight was with a monster called Dragoon. Dragoon is a sea monster.

GIANT ROBOT killed himself in order to kill Guilletime. Giant Robot also fought a giant eye.

SAMURAI FICTION

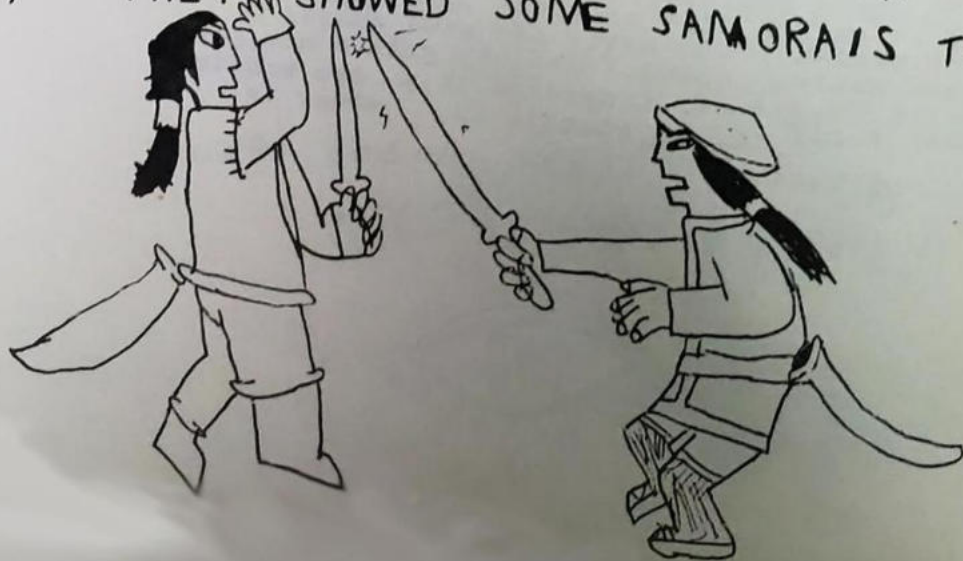

SAMURAI ARE
OLD TIME JAP-
ANESE SWORDS
MEN. THE JAPAN-
ESE HAVE MADE A
MOVIE CALLED
LOST WORLD OF
SINBAD. UNLIKE THE
AMERICAN SINBAD

MOVIES, THIS SINBAD IS A SAMURAI.
ON TV I HAVE SEEN TV SHOWS WITH SAMURAI
AND THE BEST ONE IS ABOUT A SAMURAI WHO
TRAVELS AROUND AND A SMALL BOY GOES
WITH HIM. THE BOY'S NAME IS DYNAMOTO,
THE SAMURAI PUSHES DYNAMOTO IN A CART.

THERE IS A MOVIE CALLED THE
MAGIC SERPENT AND IT INVOLVED

SOME SAMURAI. ON AN EPISODE FROM
STAR TREK (SHORE LEAVE) THEY HAD A SAMURAI.

FROM A MOVIE CALLED MARTIN, MONSTER OF
TERROR, THEY SHOWED SOME SAMURAI TOO.

BY
DAMON
FOSTER

RODAN

BY
DAIMON
FOSTER

Rodan is a monster who is very much like a
pterodactyl but much bigger.

Here are some of the movies he has been in: RODAN
DESTROY ALL MONSTERS

I'm sure that Rodan will
be in more movies.

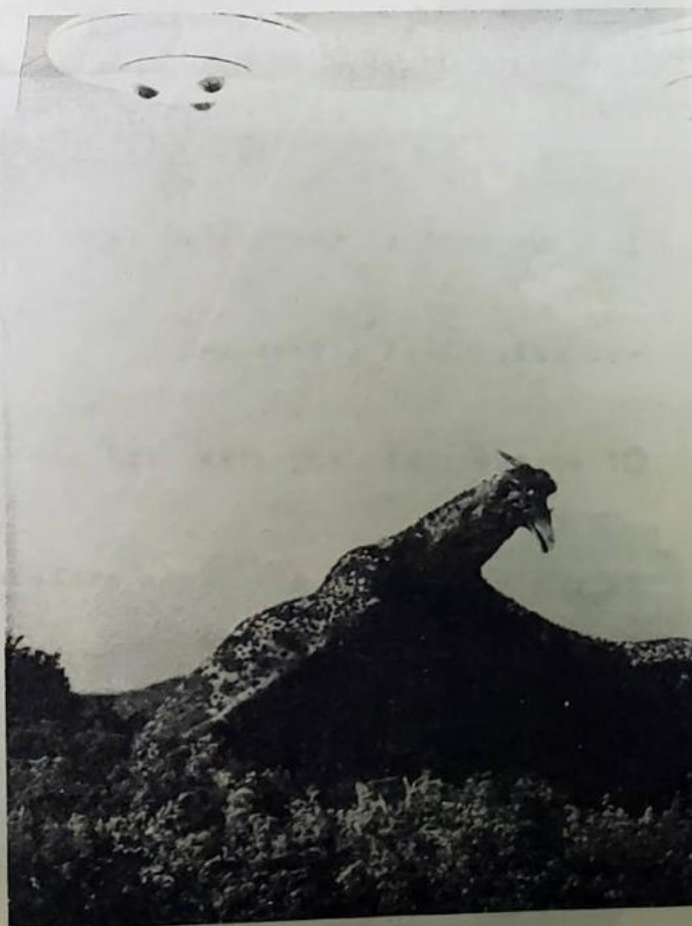

MONSTER ZERO

In his first movie
(Rodan) he had the
power to shoot out
the kind of fire that
Godzilla does.

GODZILLA VS. MEGALON

GHEDRAH THE THREE HEADED MONSTER

In Destroy All Monsters
he and some other monsters
fought some space creatures
called Killaks. In Monster
Zero he and Godzilla
fought Ghedrah.
Rodan had a small part
at the beginning of
GODZILLA VS. MEGALON.

GARGANTUAS

BY
BRIAN
TUDMY

The Gargatua are 5 hundred feet tall. They are full of fur.

The GARGANTUAS arent like Godzilla as you can see.

They were only in one movie called WAR OF THE GARGANTUAS.

In that movie one was nice and the other eats people.

They were two different colors : Brown and Green.

In some part of the movie the brown Gargantua (the nice one) was only about 2 feet tall.

Of course, the Gargantuas did not live very long.

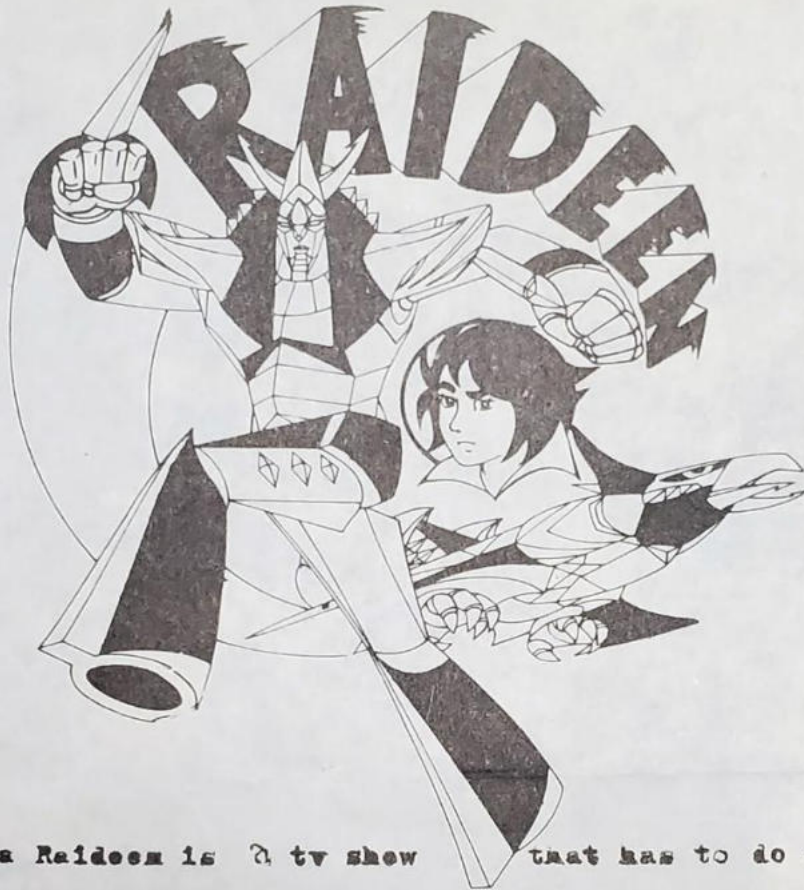

In the movie they died when avalanche exploded.

Then they both died.

And that's the story of the GARGANTUAS.

THE END

Yasha Raideen is a tv show that has to do with giant monsters. Raideen is the name of the super hero from the show. Like other heroes, Raideen has a human form.

Raideen's human form is a man named Hibiki Akira.

Hibiki is a teenager who has a motorcycle called Sparker.

Raideen is 52 meters high. The way Hibiki gets into

Raideen is by jumping off the Sparker and landing in Raideen's head. Once he is in Raideen, he can control all of Raideen's movements. Raideen has many powers that he uses against his enemies. The devils from hell. Raideen isn't the only one in the show who fights the devils. There is also a group of people who made a big building called MOTROPOLIS. Also, there is a jet like thing called Blugar and another called Spit Fihter. Hibiki Akira plays soccer with a group called the red team.

IK KYU - SAN

BY
DAMON
FOSTER

Ikkyu - San is a tv show that is not science fiction but it is fantasy and this magazine has both science fiction and fantasy.

The show is about a young samurai.
He is called.

Ikkyu San is a kid that is smart and when he gets in trouble he touches his finger to his head and comes up with an idea that never fails.

On the show they call him a brain wizard.

Actually, he is more of a priest than a samurai.
The drawings from Ikkyu SAN are the same as
Raiden and Speed Racer and Dai Apollo etc. etc.
Of all these cartoons Ikkyu San is the best.

GAMRA

GAMRA is a giant turtle that has jets in his shell so he can fly.

He can fly and he spins when he does.

GAMRA has been in six movies so far. I will try to describe GAMRA's enemies.

BARUGON is a dragon-like monster who was called the quick freeze monster because his special power is freezing.

VIRAS is a giant squid from outer space.

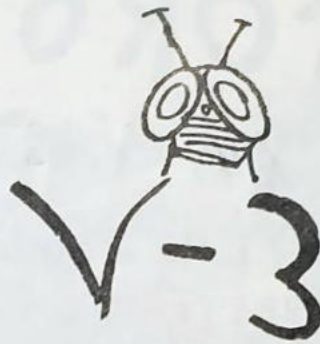

GAYOAS is a bat-like monster that can shoot a laser beam from his mouth.

GUIROM is a monster that can fire metal star shaped things and they puncture GAMRA's skin. ZIGRA IS LIKE A GIANT SHARK.

GAMRA's films are not as good as GODZILLA but they are pretty good.

KAMEN RIDER

By
Damon
Foster

Kamen Rider V-3 is a super hero from Japan and he fights like any other hero from JAPAN does. Karate. Kamen Rider fights off a group of creatures

called Destron.

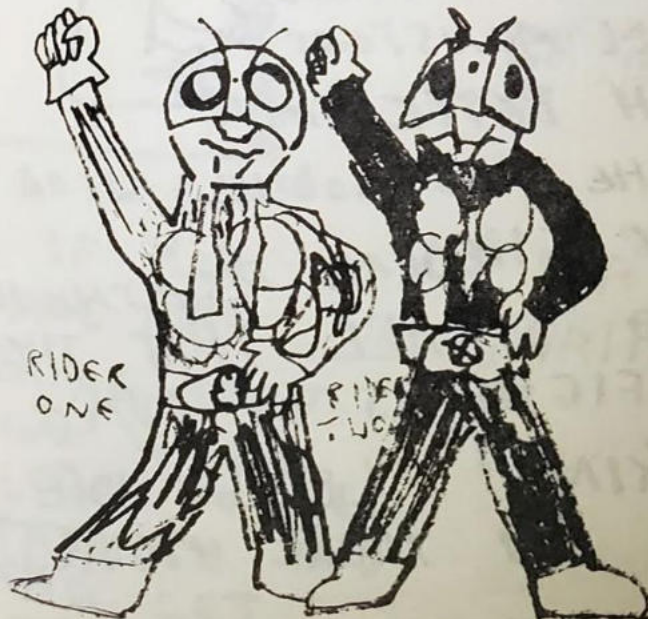

He has a motorcycle that is called Gielone. There are two other Kamen Riders.

Their names are: KAMEN RIDER ONE and KAMEN RIDER TWO

Kamen Rider V-3 has many powers and one of them is the drill attack.

Another is the half turn kick.

Another is the opposite kick.

GOROSAURUS

BY
DAMON
FOSTER

GOROSAURUS IS A MONSTER THAT
HAS APPEARED IN THESE 3
MOVIES:

DESTROY ALL MONSTERS
KING KONG ESCAPES
GODZILLA'S REVENGE

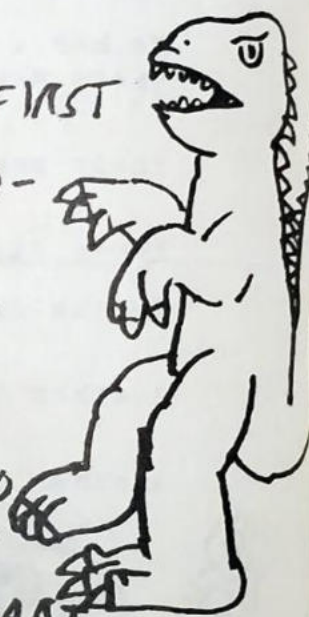

IN K.K. ESCAPES HE PLAYED A
VILLIAN WHO FOUGHT KING KONG.

THE SCENE GOROSAURUS WAS FIRST
IN WAS ALSO SHOWN IN GOD-
ZILLA'S REVENGE. IN GODZILLA'S
REVENGE GOROSAURUS PLAYED ANY

OLD MONSTER WHO WAS IN THE
JUNGLE AND THEY HARDLY SHOWED
HIM. IN DESTROY ALL MONSTERS

HE HAD A MUCH BETTER PART
TO PLAY BECAUSE HE AND GODZILLA WERE
BOTH SEEN FIGHTING GHEGRAH TOGETHER!
HIS ARMS ARE SO SMALL THAT THE
ONLY WAY HE CAN FIGHT IS BY JUM-
PING UP AND KICKING! LET'S HOPE
THAT HE WILL BE IN MORE MOVIES.
