DAMON FOSTER & RAJAR SHY AUG.'92

Yes! In-Person! Me & MR.ORIENTAL CINEMA himself "DAMON FOSTER"! I gave Damon a visit this past August 1992 so I could be in his not-yet-finished new movie "AGE OF DEMONS" as a lead villian! I had a Great time! And Damon looks so happy to be photographed with me.....

Hello & welcome to the newsletter designed for fans, fiends & fanatics of rare or sort-of-rare "ASIAN" movies & T.V. shows which some of us have had a difficult time locating on videocassette.

To those of you who are already listed within these pages I'm sure your reaction to my previous sentence is..... " NO SHIT !!! "

Also to be filed into the "NO SHIT" category are the plain facts that this "newsletter" used to be called "D.F.'S V.D."a.k.a. "Damon Foster's Video Directory"...& now it's called "R.S.V.P." a.k.a."Really Strange Video Personals".

So why the name change? Well, to begin with..."I'M NOT DAMON FOSTER!" But please do not be upset that I AM not he because Damon is quite happy to be free from having to produce this newsletter so he can devote more time to movie-making & possibly maybe another issue of " ORIENTAL CINEMA ".....at this point you better not be saying "Oriental what?"

It really disappoints me when I get a call on the phone from someone who is all fired-up to get Asian videos from me

yet they have never read an issue of ORIENTAL CINEMA? Boy are these people missing out! I highly personally recommend issues 6-14...& 1-5 are interesting because he made them when he was a kid

in the late 1970'S & early 80'S.

The information contained in these issues of O.C. will add a new dimension to your interest & appreciation of these shows & movies.

Wow.....I sure know how to write a fuckin' boring EDITORIAL! Sorry gang but this is my first time out as an Editor/writer/whatever...so let's get something straight right now...I don't claim to be a great writer or anything close to that...I'll probably misspell words from time to time but hopefully not as bad as former Vice-President DAN QUAYLE!!!

I know how to spell "POTATO"! Geez! However I might not always use proper ENGLISH..."Ja know wot I mean mang?"

Anyways, why don't I just skip the babblings of this lame excuse for an "EDITORIAL" & lay down some "ground rules"....1st Rule; Always "make-good" on ALL deals you do with anyone in this newsletter....2nd Rule; Please DO NOT charge any of us more than \$20 a tape unless it's a sealed Factory Copy...& Rule 3...Be good to one another & have fun....Watchful, With A Cocked Eyebrow,

Your "New" Editor,

*Rajar Shy*

# ORIENTAL CINEMA

...is one hell of a fanzine!

Where else can you read about wild & crazy stuff like:  
Giant Monsters, Modern Action Films of Hong Kong,  
Asian Sword Epics, Japanese Superheroes, Chinese  
Horror Flicks, Kung Fu Extravaganzas and even a trendy  
Japanese cartoon or two? Or how about obscure  
Fillipino Movies? And all crammed together in every  
issue!

•Each installment of ORIENTAL CINEMA is only a mere  
\$6.00 ea. So, if you've got the guts to try something  
different, send your hard-earned money to Damon—  
and he'll kindly send you the latest issue of that  
combination of egotism and sarcasm known as  
ORIENTAL CINEMA.
